Hey Rebecca,

I just got back to Libby. The schedule options are doable. I can work with any of this. Let me know as it flushes out and we'll make it a productive trip.

Have a Happy Easter,
Mike

Mike,

Nice meeting with you too.

This is all still pretty draft. In the next two weeks we will be reaching out to see if these folks would be willing to let us tour. The only difference on my part of the tour is if he wants to fly back first thing Friday morning or Thursday night. I am not sure if there are other difference between your sections. Probably should give him the option of coming back to Kalispell on June 19 so he does not have to change hotels. Although your wife's lasagna sounds amazing so he will probably choose to stay the night in Libby. ☺ I will plan to fly into Kalispell on June 19 and meet up with the MDA Director and support staff for dinner. I assume if we start at 9am in Creston you can get him to me?

Draft Trip Itinerary:

- June 17 - Fly into Kalispell, MT.
- June 18 – Kalispell activities. Spend night Kalispell, MT.
 - ? – **Anything he could do this morning?**
 - ? - **CFAC site tour**
 - ? - **Columbia Falls City Council Meeting.**
- June 19 – Libby, MT activities.
 - ? – **Tour**
 - ? - **other activities/meetings.**
 - Option A: Spend night Libby, MT.
 - Option B: Spend night Kalispell, MT
- June 20 – Ag Tour day.
 - 9:00-10:30am – MSU Ag Experiment station tour - Creston, MT
 - 12:00pm – Lunch at burger place at Seeley, MT (name?)
 - 1:30-4:30pm – Blackfoot Challenge/ranch tour – Ovando, MT
 - 6pm – Arrive in Helena. Spend night in Helena.
- June 21 – MDA and Butte, MT meeting
 - 8:00-9:00am – Meet with MDA.
 - 11:00am-1:00pm – Butte presentation
 - Option C: Fly out of Helena at 2:30pm or Bozeman at 5:30pm

- Option D: 2:30pm-ish? – Ag Round Table (smart sector discussion) in Helena. Fly out of Helena at June 22 at 7:15am.

Hope this helps with your planning. I should have my stuff better flushed out and will find out if he wants to do an ag roundtable or not. Let me know if you have any other questions you want me to ask him.

Thanks Rebecca. I'll follow up with the congressional staff next week and check with the City of Columbia falls as well. I'm traveling back to Libby today.

It was nice to meet you

Mike,

I spoke to Doug and he does not mind flying out Sunday which is good given the info about flight options below. He does not have any dietary or allergy restrictions. He would prefer that the Senator's office be invited to participate in the tour vs doing a separate meeting.

I think those were all the questions I needed to ask him. Let me know if I forgot anything. I will send you a separate email with options later today after I talk to the MDA.
